ICEES
Uniting for a Greener, Brighter Future

10TH CHAPTER
International Conference on Ecotoxicology & Environmental Sciences (ICEES)

INTERNATIONAL CONFERENCE ON ECOTOXICOLOGY & ENVIRONMENTAL SCIENCES (ICEES-2026)

Date
29-30 December 2026

Venue
BIRLA INDUSTRIAL & TECHNOLOGICAL MUSEUM
19A Gurusaday Road, Kolkata 700019

Organised by
Institute of Ecotoxicology & Environmental Sciences (IE&ES)
Y/7, XI, Purbachal, Salt Lake, Kolkata-700 097,
West Bengal, India

In Collaboration With
St. Xavier's College (Autonomous), Kolkata
Postgraduate & Research Department of Microbiology,
30 Mother Teresa Sarani (Park Street), Kolkata-700 103,
West Bengal, India

Registration Deadlines

30th November 2026
(For Presenting Authors)

15th December 2026
(For Participants/Listeners)

Flagship Event: ECO-CATALYST
Panel Discussion with Eco-Business Pioneers on *"Translating Environmental Innovation from Laboratory to Enterprise".*

A Warm Welcome to Kolkata

Kolkata, proudly recognized as the cultural capital of India, seamlessly blends a rich historical legacy with a vibrant contemporary spirit. Situated on the banks of the iconic Hooghly River, this dynamic metropolis is celebrated for its majestic colonial architecture, including the grand Victoria Memorial. Beyond its historic landmarks, the city is globally renowned for its passionate contributions to literature, art, and groundbreaking scientific research. Attendees can immerse themselves in the warm hospitality of the "City of Joy," exploring its legendary culinary scene and famous traditional sweets. As the commercial gateway to Eastern India, Kolkata provides an inspiring backdrop for academic exchange and professional collaboration.

The Silver Jubilee Milestone: 25 Years of IE&ES

The **Institute of Ecotoxicology & Environmental Sciences (IE&ES)** is a non-profit organization registered in 2001 under the West Bengal Societies Registration Act, 1961. For the past 25 years, IE&ES has been dedicated to promoting environmental awareness, scientific research, education, and sustainable development through workshops, conferences, training programmes, and social initiatives. **ICEES 2026 marks the Silver Jubilee (25th anniversary) of IE&ES**, celebrating a quarter-century of meaningful contributions to environmental sciences and society.

About ICEES 2026

The **International Conference on Ecotoxicology and Environmental Sciences (ICEES 2026)** marks the **10th chapter** of this premier international conference series and coincides with the **25th anniversary of IE&ES**. The landmark edition will bring together researchers, academicians, students, professionals, and policymakers for scientific exchange, networking, and discussion on emerging challenges in environmental and microbial sciences.

In a significant academic alliance for this landmark event, the conference is being organized by IE&ES **in collaboration with the Postgraduate and Research Department of Microbiology, St. Xavier's College (Autonomous), Kolkata,** one of India's historic and distinguished institutions of higher education. As a premier autonomous institution, it consistently ranks among the top-tier colleges nationwide under the National Institutional Ranking Framework (NIRF). This vital partnership enhances the conference's scientific profile, fostering deep intellectual exchange and advancing cutting-edge research at the intersection of environmental and microbial sciences.

The Conference Venue

The prestigious **Birla Industrial & Technological Museum (BITM), Kolkata**, will serve as the venue for ICEES 2026. Established in 1959 as India's first scientific and industrial museum, BITM is a landmark institution dedicated to science popularization and innovation. Its rich scientific heritage and inspiring environment provide an ideal backdrop for this landmark edition of ICEES.

Objectives of ICEES 2026

PROMOTE GLOBAL RESEARCH COLLABORATION: Facilitate knowledge sharing among experts in the fields of ecotoxicology, environmental science, and sustainable development.

PROVIDE A PLATFORM FOR INNOVATION: Showcase groundbreaking research and technological innovations aimed at mitigating environmental degradation and promoting sustainability.

ENCOURAGE POLICY DIALOGUES: Facilitate conversations between researchers, policymakers, and industry leaders to advocate for effective environmental policies and practices.

RAISE AWARENESS: Engage local and international stakeholders in meaningful discussions on critical environmental issues, especially relevvant to the Indian and Asia-Pacific region.

TRAINING AND CAPACITY BUILDING: Provide opportunities for researchers, students, and early-career scientists to enhance their knowledge and skills in ecotoxicology and environmental sciences.

Focal Themes

1. *Environmental Chemistry & Pollutant Dynamics*

- Environmental Pollution: Origin & Surveillance
- Toxicology of Metals & Metalloids
- Aquatic & Terrestrial Ecotoxicology
- Safety Evolution of Food: Health & Hygiene

2. *Climate Change, Biodiversity & Ecosystem Health*

- Climate Change and Biodiversity
- Bio-mass Production & Uses
- Communicable Disease & Environment

3. *Nanotechnological Approaches to Environmental Sciences*

- Microplastics, Nanoparticles & Emerging Contaminants
- Genetic & Molecular Susceptibility: Biological Impacts
- Environmental Biotechnology & Bioremediation

4. *Microbes Operating in Nature*

- Biomarkers & bio-indicators
- Biological Signal of Toxicity
- Microbial Degradation and Ecotoxicity
- Sustainable Food Biotechnology: Mitigating the Environmental Footprint

5. *Risk Assessment, Environmental Policy & Management*

- Environmental Management & Sustainability
- Waste Management
- Policy Advocacy in the Era of Artificial Intelligence (AI)
- Role of Media in Dissemination of Environmental Awareness
- GIS, Remote Sensing and Instrumentation
- Occupational Therapy in Environmental Management
- Yoga & Meditation in Preventing Environmental Stress & Pollution

6. *Sustainable Agriculture & Green Technologies*

- Environmental Accountability & Sustainable Entrepreneurship
- Green Chemistry and Sustainable Technologies
- Environmental Engineering
- Carbon Capture Technologies
- Biomass Engineering

7. Unlocking Green Entrepreneurship: The Eco-Catalyst Pathway

- **Session Significance & Academic Value**
  Most environmental breakthroughs never leave the laboratory. **Eco-Catalyst** changes that. This high-impact session addresses this critical paradigm, bringing together principal scientists, academic strategists, and industrial pioneers to delineate the structural roadmap from laboratory experimentation to market implementation. Attendees will gain essential insights into the translational mechanics necessary to elevate ecological research into impactful, sustainable ventures.
- **Key Takeaways for Participants**
  - ✓ **Actionable Blueprints:** Learn the exact steps needed to file patents, scale prototypes, and secure green venture funding.
  - ✓ **Elite Networking:** Connect directly with principal scientists, institutional centre coordinators, and active eco-business CEOs during our open panel segment.
  - ✓ **Startup Mentorship:** Discover incubation paths via elite networks like the DBT-BIRAC E-YUVA Centre.

Guideline for Abstract Submission

Original and unpublished articles, research papers, literature reviews, case studies that highlight issues related to themes or in align with the themes are invited.

Submission Deadline: On or before ***30th November 2026***
File Format: Strictly in ***MS WORD*** format
Font Style: Times New Roman
Target Audience: Policy Makers, Academicians, Research Scholars, Industry Professionals and Students (UG & PG).

Formatting Specifications

- **Title:** Bold centered, in UPPERCASE, 14-point font
- **Author Info:** Name, Designation and Organization
- **Presenting Author:** Name must be underlined
- **Corresponding author:** A valid e-mail address to be clearly mentioned for receiving future communications
- **Abstract Body:** 12-point font size with 1.5 lines spacing
- **Keywords:** Separated by semicolons (;), 12-point font size with 1.5 lines spacing.

***N.B.: To ensure publication consistency, the Editorial Committee retains full authority to edit, condense, or reformat any submitted abstract that exceeds the prescribed word limit or deviates from the official structural guidelines.**

Parallel Sessions

- ***Poster Presentation:*** Participants willing for *Poster Presentation* are sincerely requested to ***carry coloured posters*** during the conference. Size of the posters will be mentioned in the Acceptance Letter.
- ***Scientific Model Presentation***: Participants willing to demonstrate eco-innovation models, environmental tools & techniques are sincerely requested to ***carry all the materials*** during the conference. For any specific requirement, write to secretariat.icees@gmail.com within *30th November 2026.*

Registration Details

The complete registration form (online) should be sente to the Secretariat electronically along with Registration fees (as mentioned below) submitted to the following bank account through Internet Banking or UPI or NEFT:

Institute of Ecotoxicology and Environmental Sciences
A/c No: 11079705408, Branch Code: 93,
Swift Code SBININBB641, IFSC: SBIN0000093,
Bank Name: State Bank of India
Branch Name: Jadavpur University Branch,
Branch Address: 188, Raja S.C. Mullick Road, Kolkata-700 032, India

❖ ***Registration Deadline:***

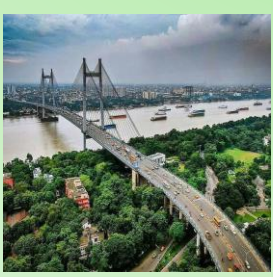

- ***30th November 2026*** *[For Presenting Authors]*
- ***15th December 2026*** *[For Listeners/ Delegates (without presentation)]*

Participant Category	In Person	Online Attendee
Students (UG and PG only)	1800 INR/ 20 USD	1500 INR/ 17 USD
Research Scholars (Ph.D. and Post Doc.)	2000 INR/ 22 USD	1700 INR/ 19 USD
Academicians/Professional (Scientist/Industry Representatives)	2500 INR/ 27 USD	2200 INR/ 24 USD
Listeners/Delegates (Without Paper Presentation)	1500 INR/ 17 USD	1000 INR/ 12 USD
Applicants of "IE&ES Young Scientist Award 2026" (Registration cum Application Fee)	5500 INR/ 58 USD	5200 INR/ 55 USD
Applicants of "IE&ES Distinguished Scientist Award 2026" (Registration cum Application Fee)	7500 INR/ 79 USD	7200 INR/ 76 USD

 # *Spot Registration* is available only for Listeners/ Delegates (without paper presentation)

**** Important Notice Regarding Currency:*** All registration fees must be submitted strictly in **Indian Rupees (INR).** Payments made in US Dollars (USD) or any other foreign currency **will not be accepted** under any circumstances.

[*Click here* to register]

Scientist Awards 2026

IE&ES Distinguished Scientist Award 2026

- **Eligibility:** Any scientist engaged in research work in a recognized government or non-government laboratory/institute with significant contributions or achievements in any field of science and technology.
- **Age Limit:** More than 35 years.
- **How to Apply:** Submit the complete application form along with the registration fee electronically by ***30th November 2026.***

IE&ES Young Scientist Award 2026

- **Eligibility:** Any scientist engaged in research work in a recognized government or non-government laboratory/institute in any field of science and technology.
- **Age Limit:** Not more than 35 years.
- **How to Apply:** Submit the complete application form along with the registration fee electronically by ***30th November 2026.***

Presentation Requirement: each applicant must deliver a **15-minute presentation** followed by a 5-minute Q&A session on their research work. If you cannot attend in person, you can join online or submit an audio-visual recorded presentation to the Selection Committee via email at icees2026.10@gmail.com by ***20th December 2026.*** **[Click here to apply]**

Prof. Badal Bhattacharya Memorial Award for Best Emerging Scientist 2026

- **Eligibility:** Awarded for the most authentic and innovative research work in greater environmental sciences that can be implemented directly or indirectly for the betterment of the environment or human civilization.
- **Selection Pool:** Chosen from presented papers within the Academicians and Research Scholars categories or amongst the applicants of Scientist Awards 2026.
- **How to Apply:** Automatic consideration for all registered participants from the Academicians and Research Scholars (Ph.D. and Post Doc.) categories or amongst the applicants of Scientist Awards 2026.

Presentation Awards

A panel of specially contributed international judges will present the following awards:

- **Best Oral Presentation:** *Three* from each category (UG Students, PG Students, Research scholars, and Academicians).
- **Best Poster Presentation:** *Three* best posters will be awarded.
- **Best Demonstrations:** *Three* best scientific models will be awarded.

Publication

- All papers presented in the conference, will be published in **Conference Proceedings** with **ISBN.**
- Selected papers will be considered for publication in **Scopus-indexed** or other **peer-reviewed journals.** Authors of the selected papers will receive direct notification regarding the journal assignment and next steps within the scheduled timeline.
- ***No Paper will be entertained to present in any mode in the conference without registration of the presenting author.***

Accommodation

Accommodation may be arranged in selected Hotels/Hostels, depending on the availability. Participants interested in accommodation should write to the Secretariat by **30th November 2026.**

SPONSORSHIPS & ADVERTISEMENT RATES

Sponsorships

- **Platinum Tier – 150,000 INR**
  - Full Page Colour Ad (Souvenir)
  - 4 Free Entries
  - 1 Pavilion
  - Venue Ads: Backdrop, Entrance, Conference Hall
- **Gold Tier – 100,000 INR**
  - Full Page Colour Ad (Souvenir)
  - 3 Free Entries
  - 1 Pavilion
  - Venue Ads: Backdrop, Entrance, Conference Hall
- **Silver Tier – 50,000 INR**
  - Full Page Colour Ad (Souvenir)
  - 2 Free Entries
  - 1 Pavilion
  - Venue Ads: Backdrop, Entrance, Conference Hall
- **Bronze Tier – 30,000 INR**
  - Full Page Colour Ad (Souvenir)
  - Venue Ads: Venue Backdrop only
- **Platinum Tier – 150000 INR**
  - Full Page B/w Ad (Souvenir)
  - Venue Ads: Venue Backdrop only

Advertisement Rates

(Excludes Back & Inside cover)

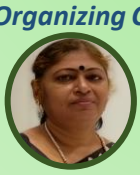

- **½ Page:** 18,000 INR (Colour)|15,000 INR (B/w)
- **¼ Page:** 12,000 INR (Colour)|8,000 INR (B/w)

COMMITTEE

Chief Patron
Rev. Dr. Dominic Savio, SJ
Principal, St. Xavier's College (Autonomous),Kolkata, INDIA

Organizing Committee

Chairperson
Dr. Sarmila Pal
President, Institute of Ecotoxicology & Environmental Sciences, Kolkata, INDIA

Organizing Secretary
Dr. Arup Kumar Mitra
Associate Professor, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata, INDIA

Convener
Dr. Debabrata Mukherjee
Secretary, Institute of Ecotoxicology & Environmental Sciences, Kolkata, INDIA

Joint Convener
Dr. Debjani Dutta
Head, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata, INDIA

Conference Coordinator
Mrs. Shreyasee Mukherjee
Treasurer, Institute of Ecotoxicology & Environmental Sciences, Kolkata, INDIA

Members

Prof. Anjana Sarkar
Vice President,
Institute of Ecotoxicology & Environmental Sciences, Kolkata

Dr. Suvendu Ghosh
Member,
Institute of Ecotoxicology & Environmental Sciences, Kolkata

Mr. Jayanta Sutradhar
Assistant Secretary,
Institute of Ecotoxicology & Environmental Sciences, Kolkata

Dr. Sudeshna Shyam Choudhury
Associate Professor, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata

Dr. Mahashweta Mitra Ghosh
Associate Professor, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata

Dr. Sanjana Ghosh
Assistant Professor, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata

Mr. Subham Das
Member,
Institute of Ecotoxicology & Environmental Sciences, Kolkata

Ms. Bidisha Chatterjee
Research Scholar, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata

Ms. Smritikana Paul
Research Scholar, Dept. of Microbiology,
St. Xavier's College (Autonomous), Kolkata

Mr. Abhik Sarkar
Member,
Institute of Ecotoxicology & Environmental Sciences, Kolkata

Advisory Committee

Prof. Dato' Dr. P. Agamuthu
Senior Professor, Jeffrey Sachs Center on Sustainable Development, Sunway University, MALAYASIA

Prof. Jonathan O. Okonkwo
Emeritus Professor in Environmental Chemistry,
Tshwane University of Technology, SOUTH AFRICA

Prof. Pasquale Avino
Professor, Dept. of Agricultural, Environmental and Food Sciences, University of Molise, Campobasso, ITALY

Prof. Olga I. Kalantzi
Associate Professor, Department of Environment,
University of the Aegean, GREECE

Dr. Biplab Sarkar
Principal Scientist, ICAR-Indian Institute of Agricultural biotechnology (IIAB), Ranchi, INDIA

Dr. Debjani Dutta
Associate Professor, Dept. of Biotechnology, National Institute of Technology. Durgapur, INDIA

Prof. Aryadeep Roy Choudhury
Professor, Indira Gandhi National Open University, New Delhi, INDIA
